Change By Soraya Lane

When her twin sister dies of a mysterious heart condition, Riley King is sent to her grandma's ranch. But instead of the isolation she's been aching for, she learns of a family secret that's been deliberately kept from her, until now.

As if finding out she's actually a leopard wasn't enough shock for one vacation, Riley meets Hunter Logan ... the guy she's promised to. For life. But Riley has no intention of being told what to do by anyone, certainly not some stubborn, dominant shifter. Even if he can make her purr, her claws are slicing out. Until Riley realizes that not fulfilling her destiny would commit her sister to a life on the other side without her.
