**Factoring: A Powerful Tool in the World of Finance** By Partho H Chakraborty, Arvind Sonmale

Factoring as means of finance is very ancient. There are also many books written about it. The factoring we see today can be considered the classical form of factoring or the vanilla type. Customers these days are very discerning and want more than the vanilla type of factoring. Since companies and banks offering Factoring struggle to go beyond this, an endeavour to solve the problem was the basis of writing this book. This book, divided into 3 parts, goes beyond the classical type of Factoring with a lot of examples and some live cases. It has pictures that are unique as it gives information on and traces our history on ancient monetary system. It is a must read for everyone and serves a reference point for Factoring.
