### Goddess Boot Camp By Tera Lynn Childs

Seventeen-year-old Phoebe has recently learned that she's a descendant of Nike (the goddess, not the shoe). Now, in order to learn to control her newfound - and very strong - powers, she's being forced to attend Goddess Boot Camp. The only problem is, none of the other campers is over the age of ten! It's not going to be easy to survive camp, train for the Pythian Games, and keep her romance with Griffin going strong, but goddess help her, Phoebe is determined to make it work!

### Editorial Review

From School Library Journal

Grade 9 Up—In this sequel to *Oh, My, Gods*. (Dutton, 2008), Phoebe, a descendant of the Greek Goddess Nike, is sent to Goddess Boot Camp by her stepfather so that she can learn to control her magical powers, on which she will be tested. But Phoebe is in training for a marathon in the Pythian Games, her boyfriend may be cheating on her, and the other girls at camp are about 10 years old. Add the fact that her evil stepsister is a counselor, and life is worse than it might be in Hades. Phoebe's inner thoughts and emotions are conveyed well, and readers will feel for her. The plot has many twists and turns and moves along nicely, and there are beautiful descriptions of the Greek islands. However, the novel falls short in the last few chapters, which wrap up the several plot threads too neatly and have a disappointing resolution. Nevertheless, those who enjoyed the first book will want to read this one.—*Jennifer-Lynn Draper, Children's Literature Consultant, Oshawa, Ontario*

From [Booklist](#)

In this sequel to *Oh, My, Gods*. (2008), teenage Phoebe continues to adjust to her new life on Serfopoula, the island where her stepdad runs a boarding school for the descendants of Greek gods. Phoebe still hasn't learned to control her newly discovered divine powers, so she enters a remedial Goddess Boot Camp program. Fans of the first book will recognize the same chick-lit elements here: snappy dialogue, picture-perfect mean girls, and misunderstandings and reconciliations with a dreamy boyfriend. A mystery about Phoebe's dad's fate adds to the lighthearted, magic-packed fun that provides enough background for series newbies. Grades 7-10. --Gillian Engberg

Review

This sequel to *Oh, My, Gods*. (2008) is as fun and fast-paced as the first installment...[a] light and clever story line, which, although clearly begging comparison to Percy Jackson, makes for ideal beach reading. ---*Kirkus Reviews*

### Users Review

**From reader reviews:**

**Florence Wiggins:**

Book is written, printed, or highlighted for everything. You can understand everything you want by a book. Book has a different type. We all know that that book is important thing to bring us around the world. Beside that you can your reading proficiency was fluently. A e-book Goddess Boot Camp will make you to be smarter.
