Harmony in Practice By Anna Butterworth

Harmony in Practice explores the main elements of tonal harmony. Students using this book will acquire a secure knowledge of the basics of harmonic practice. Singing, playing and completing the exercises, and studying the music examples, will provide essential experience of the 'tools of the trade'. More than 280 music examples illustrate the author's clear and direct exposition of the history and practice of harmony while the student will be able to work through over 180 exercises. The practical workbook format will enable students to prepare for a variety of musical examinations - for the Associated Board's Grade 6 to Grade 8 Theory examinations; for A Level Music and Diploma examinations; for university and college entrance papers. It will serve in particular as a vital aid in bridging the gap between Grade 5 and Grade 6 Theory. A thorough pursuit of this workbook will also bring a greater understanding to bear on students' music-making, and will enhance their awareness of style and their appreciation of other musicians' performances.

Editorial Review

Review

This is something that has been sorely needed! ... an excellent choice for A level and diploma students ... thorough EPTA Piano Journal well laid out both in terms of its design and content ... as a very solid and thorough course in classical harmony this book really delivers Music Teacher An aspect that places this book on a higher level than the traditional harmony textbook is the numerous exercises which are based on models from music literature and which cover a wide variety of textures. South African Music Teacher

Users Review

From reader reviews:

James Donofrio:

This Harmony in Practice book is absolutely not ordinary book, you have after that it the world is in your hands. The benefit you will get by reading this book is usually information inside this reserve incredible fresh, you will get data which is getting deeper you actually read a lot of information you will get. This Harmony in Practice without we recognize teach the one who studying it become critical in pondering and analyzing. Don't always be worry Harmony in Practice can bring any time you are and not make your case space or bookshelves' grow to be full because you can have it with your lovely laptop even cell phone. This Harmony in Practice having excellent arrangement in word as well as layout, so you will not truly feel uninterested in reading.

Robert Marshall:

As people who live in typically the modest era should be revise about what going on or facts even knowledge to make these individuals keep up with the era which is always change and move ahead. Some of you maybe will update themselves by reading through books. It is a good choice for you personally but the problems coming to you is you don't know which one you should start with. This Harmony in Practice is our recommendation to make you keep up with the world. Why, because book serves what you want and wish in this era.

Chris Manley:

The experience that you get from Harmony in Practice could be the more deep you rooting the information that hide inside the words the more you get enthusiastic about reading it. It does not mean that this book is hard to comprehend but Harmony in Practice giving you buzz feeling of reading. The article writer conveys their point in particular way that can be understood through anyone who read that because the author of this e-book is well-known enough. This specific book also makes your personal vocabulary increase well. So it is easy to understand then can go with you, both in printed or e-book style are available. We recommend you for having that Harmony in Practice instantly.

Suk Barry:

As a student exactly feel bored to be able to reading. If their teacher expected them to go to the library as well as to make summary for some publication, they are complained. Just very little students that has reading's heart and soul or real their leisure activity. They just do what the trainer want, like asked to the library. They go to right now there but nothing reading seriously. Any students feel that studying is not important, boring and can't see colorful photos on there. Yeah, it is for being complicated. Book is very important in your case. As we know that on this period of time, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore , this Harmony in Practice can make you truly feel more interested to read.
