Knight (Unfinished Heroes) (Volume 1) By Kristen Ashley

Anya Gage has learned that to get anything good in life, you have to work for it. She has no expectations, no dreams. Then she finds herself at a party where she doesn't want to be and she meets Knight. Knight Sebring knows who he is, what he wants and what he likes. And he gets it. But he never expected something as sweet as Anya Gage to wander into his bedroom—during a party he did not expect to be having—to borrow his phone. Knight tries to leave Anya to the life she deserves of white picket fences and a man who watches football on Sundays—good, normal and clean. But when Anya comes to his nightclub and finds herself in a situation, he knows someone has to look after her. He can't fight it anymore, and he decides that man will be him. Knight teaches Anya that, just as with the bad, in life you should also expect the good. And he teaches her this by giving it to her. But Knight has a dark past and just as he desires Anya for exactly who she is, he fears when she finds out exactly the man he has become and always intends to be, she'll leave him for good, normal and clean.

Editorial Review

About the Author

Kristen Ashley grew up in Indiana, but has lived in Colorado and the West Country of England. Thus she has been blessed to have friends and family around the globe. Her posse is loopy (to say the least), but loopy is good when you want to write. Kristen was raised in a house with a large and multi-generational family. They lived on a very small farm in a small town in the heartland and existed amongst the strains of Glenn Miller, The Everly Brothers, REO Speedwagon and Whitesnake (and the wardrobes that matched). Needless to say, growing up in a house full of music, clothes and love was a good way to grow up. And as she keeps growing up, it keeps getting better.

Users Review

From reader reviews:

Lauren Barnett:

Reading a e-book can be one of a lot of action that everyone in the world likes. Do you like reading book consequently. There are a lot of reasons why people love it. First reading a book will give you a lot of new data. When you read a e-book you will get new information mainly because book is one of many ways to share the information or maybe their idea. Second, reading through a book will make you more imaginative. When you examining a book especially fictional works book the author will bring you to definitely imagine the story how the figures do it anything. Third, it is possible to share your knowledge to some others. When you read this Knight (Unfinished Heroes) (Volume 1), you may tells your family, friends in addition to soon about yours reserve. Your knowledge can inspire different ones, make them reading a publication.

Gina Reiter:
