### Thai Private Eye: Further adventures from the files of Thailand's most famous detective agency By Warren Olson

This volume - the follow-up to Olson's bestselling "Confessions of a Bangkok Private Eye" - serves up more juicy portions of what goes on under the veneer in Thailand and includes stories deemed too hot to include in the first book for fear of repercussions. It also includes recent cases, where state-of-the-art surveillance devices and other advances in the dark arts of private investigation have made it easier to uncover dirt deep below the surface. This is a book that reads like exciting fiction, with one big difference: every story is true. Only the names and related identifying details have been changed to protect the innocent along with the guilty. These chronicles of a decade lived dangerously in the Land of Crooked Smiles will, by turns, entertain, shock, inflame and inform you.
