All About Passion By Stephanie Laurens

New York Times bestselling Australian author Stephanie Laurens delivers the latest tale in the immensely popular Cynster series. When Chillington is elected an 'honorary Cynster' at the end of All About Love, he knows he needs a wife, and an heir. His goal; a simple marriage without romance. He agrees to marry a woman he believes to be pliant and quiet. Unfortunately for him, the woman he thinks is Francesca Rawling is really her cousin, Franni. Francesca herself is proud, passionate and opinionated in short, the perfect bride for a Cynster...

Editorial Review

Amazon.com Review

Gyles Rawlings, fifth Earl of Chillingworth and an honorary member of the Cynster clan, is determined not to marry for love. To that end, he makes an offer of marriage, sight unseen, to the niece of an old friend. He believes he's chosen a docile, biddable lady who will bear him an heir and leave his emotions uninvolved. He arrives for his own wedding without ever actually meeting his fiancée; and at the chapel's altar, is astonished to discover that he's offered for the wrong woman--his wife is the cousin of the woman he thought he was marrying. The two ladies share the same name, and the woman he has married is a passionate female who makes his head spin. Francesca isn't docile, certainly not biddable, and she has no intention of settling for anything less than her husband's heart.

The battle lines are drawn in this war of love, with both parties well aware of the stakes. Will Giles continue to barricade his heart, or will Francesca's love and loyalty tear down the walls that keep him from her? And if Giles can't thwart the strange threats to Francesca's life, neither may live to see the end of their contest of the heart.

This installment in author Stephanie Laurens's beloved Cynster series has been eagerly anticipated by fans, and *All About Passion* doesn't disappoint. Taut with sexual tension between the hero and heroine, rich with details of the world of Regency England, and well-supported with a solid plot, this latest Cynster tale is an excellent read. --*Lois Faye Dyer*

From Publishers Weekly

Appealing characters and red-hot chemistry breathe new life into a familiar story line in the latest entry in Laurens's Regency-era Cynster series (following *All About Love*). This time, Cupid's arrow fells Gyles Rawlings, the Earl of Chillingworth and an "honorary Cynster." Gyles realizes that it's time to take a wife and carry on the line, but he's determined to go about it in a businesslike fashion with an arranged marriage. Fortunately, country heiress Francesca Rawlings, a distant relation, seems to be the perfect candidate. She's well favored, pleasant and endowed with an estate that will nicely complement his own. On his wedding day, however, he discovers that the serene, docile woman that he spied in the garden a few days earlier was not Francesca, but her cousin Frannie. The heiress he's contracted for is the passionate hoyden he's met galloping across the downs. Nevertheless, he goes through with the marriage, seizing the opportunity to complete his estate and indulge his passion for the spirited Francesca. She, in turn, is determined to make the earl admit his love for her. The stubbornness of the hero and heroine, though the center of the story's conflict, may irritate some readers, but Laurens's twist on the bride-switch, arranged marriage formula is fun, spicy and sure to please.
