Editorial Review

From Library Journal

Following his best-selling *How To Love a Black Man* (Warner, 1996), Elmore now speaks to men in a straightforward manner about how to have a truly loving and mutually satisfying relationship with the black women they love. Based on his experience as a psychotherapist, ordained minister, couples counselor, and husband, Elmore translates the needs and desires of black women into a language men will understand. He points out the advantages of men "rolling up their sleeves" and truly working for a love that is balanced, as well as the disadvantages of failing to do so. Well organized and written in a light, humorous tone, the book includes clear and practical ways for earning a black woman's everlasting love, respect, and admiration. Its audience shouldn't be limited to black men who love or want to love black women?it can be helpful to men of all races. Highly recommended for all public libraries and psychology collections.?Demetria A. Harvin, Bronx, NY

From the Back Cover

Black women treasure trust and consistency in love. They also desire a sense of security rooted in something more -- and much more precious -- than just material concerns. Now Dr. Ronn Elmore, noted psychotherapist and author of the bestselling *How to Love a Black Man*, draws from his years of experience to reveal the power men have to respond to the most profound desires of the Black women they love. Straightforward, insightful, filled with dozens of practical, life-transforming "Policies and Procedures" and relevant, real-life examples, *HOW TO LOVE A BLACK WOMAN* shows you how to build a rich, mutually satisfying, rewarding relationship as you:

- Discover the very different communication and conflict-resolution styles women and men use
- Accept her for who she is rather than who she "could" be
- Share your insides with her -- the good, the bad, and the ugly
- Support her in ways that respect her personal strengths.

Users Review

From reader reviews:

John Cleveland:

The experience that you get from *How to Love a Black Woman: Give-and-Get-the Very Best in Your Relationship* is the more deep you looking the information that hide inside words the more you get enthusiastic about reading it. Andrew Hall:

The book How to Love a Black Woman: Give-and-Get-the Very Best in Your Relationship will bring someone to the new experience of reading the book. The author style to elucidate the idea is very unique. In the event you try to find new book you just read, this book very ideal to you. The book How to Love a Black Woman: Give-and-Get-the Very Best in Your Relationship is much recommended to you you just read. You can also get the e-book through the official web site, so you can more readily to read the book.

Eva Lynch:

As a college student exactly feel bored in order to reading. If their teacher requested them to go to the library or to make summary for some publication, they are complained. Just tiny students that has reading's heart or real their passion. They just do what the teacher want, like asked to go to the library. They go to right now there but nothing reading really. Any students feel that reading through is not important, boring in addition to can't see colorful images on there. Yeah, it is to become complicated. Book is very important for you. As we know that on this period of time, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. Therefore this How to Love a Black Woman: Give-and-Get-the Very Best in Your Relationship can make you sense more interested to read.
