By the end of his life **Barry Long** was recognised by many thousands of people around the world as a genuine spiritual master. Born in 1926 in Australia, he was in his thirties before he realized there was more to life than worldly success. He was the editor of a Sydney Sunday newspaper - 'Truth' - but it wasn't the media's truth he was interested in. Leaving everything behind Australia, he sought the truth of life, at first alone in the Himalayas and then for ten years in London. He started teaching public meetings in 1982 and year by year more and more people discovered him.
