Editorial Review

From Library Journal

It has been years since the orchid-growing eccentric Nero Wolfe has been outside his beloved home. This novel finds him in upstate New York with Archie Goodwin where he must endure poor food, uncomfortable chairs, warm beer, and three dead bodies. A family feud over the fate of a prize bull (send him to a stud farm or a steak house) plus tacky publicity stunts and blackmail all fit into the situation, told from Archie's point of view. Michael Prichard's reading is clear and adds to the atmosphere and overall enjoyment of the story. Recommended. Denise A. Garofalo, Mid-Hudson Lib. System, Poughkeepsie, NY

Review

"It is always a treat to [hear] a Nero Wolfe mystery. The man has entered our folklore." -- *The New York Times Book Review*

"Nero Wolfe, the fat detective of Rex Stout's novels, towers over his rivals...he is an exceptional character creation." -- *The New Yorker*

"Rex Stout...raised detective fiction to the level of art. He gave us genius of at least two kinds, and a strong realist voice that was shot through with hope." -- *Walter Mosley*
