The Americans By Jake Bible

Hundreds of years after the United States is turned into a radioactive, zombie infested wasteland, the descendants of peacekeeping troops stranded abroad are now the world's marshals, keeping law and order in a futuristic landscape of high-tech feudalism and raw, bioorganic metal. They are known simply as: The Americans. The exciting sidequel to DEAD MECH takes you on a hellride through Europe, Asia and beyond as American Ghost Heather Walton must save her family, her friends, and an all important cargo, as all Americans struggle to maintain their place in a world where the powers that be no longer want them. And will stop at nothing to put an end to their standing and their very existence! Haven't read DEAD MECH? Not a problem! The Americans is a stand-alone novel that takes place at the same time as the events in DEAD MECH. Read either one first then get ready for the third and final book in the Apex Trilogy, Metal And Ash.
